Bachelor of Computer Science | (74.4 CGPA)

Jamal Mohamed College, Tiruchirappalli.

2022 – 2025

Higher Secondary | 67.9%

The Golden Jubilee Matric Hr. Sec.School,Tirunelveli.

2021 -2022

INTERNSHIP

Web Development - Python Intern

Completed a 4-week internship in Python Programming. Gained hands-on experience in Python basics, data types, loops, functions, file handling, and solving simple programming problems.

TECHNICAL SKILLS

- Programming Languages: C, Java, python
- Databases: SQL, Firebase
- Tools: VS Code, GitHub

PROJECTS

Library Management System

Developed a Java application to manage library books. The system allows users to add books, issue books, return books, and view available books using a simple menu-driven program.

CERTIFICATIONS

- Java programming for beginner
- python

SOFT SKILLS

- Quick Learning
- Goal Oriented Mind Set
- Easy Collaboration
